This map is part of a 7 map series based on the State's 7 Tourist Regions. To order maps of the other tourist regions go to [www.nh.gov/dor/nhbkicpdd](http://www.nh.gov/dor/nhbkicpdd)

Though boasting only 18 miles of ocean views, the Seacoast region offers some of the most scenic and sought after cycling in all of New Hampshire. Because the area is an extremely popular tourist destination, the Seacoast region draws heavy traffic during the summer months particularly along NH1A, which meanders along the coast. The upside is that the terrain in this region is generally flat to rolling. Places to stop for a bite to eat or ice cream are abundant, and if you're looking for lobster or steameders, you've come to the right place! NH Route 101 is limited access in this region.

## SEACOAST REGION

-Maggie Hassan, Governor  
This bicycle map will help you discover New Hampshire's awe-inspiring natural beauty as you travel our state on your bike. From the noble mountains that tower over the North Country, to our beautiful lakes and rivers, to the sandy beaches along our Seacoast, and all our vibrant cities and small-town main streets in between, you will experience the scenery that has inspired artists, poets and writers for generations. I hope that you will enjoy our rich history, recreational activities, and tax-free shopping and that you will visit us often.

Welcome to New Hampshire!
